 Broads Authority

Speed Limit Byelaws 1992

BROADS AUTHORITY SPEED LIMIT BYELAWS

Byelaws made by the Broads Authority under Section 10(3) and Section 10(5) and paragraph 4 of Schedule 5 of the Norfolk and Suffolk Broads Act 1988.

- Citation** 1 These Byelaws may be cited as the Broads Authority Speed Limit Byelaws 1992.
- Commencement 2
& Revocation** 2 These Byelaws shall come into operation on 1st November 1992.
- 3 With effect from the coming into operation of these Byelaws the following are repealed:
- a The Norfolk Broads Speed Limit Byelaws 1978.
 - b Great Yarmouth Port and Haven (River Speed Limits (Vessels) Byelaws 1989.
 - c Byelaws 4 and 8 of the Byelaws made by the Oulton Broad Joint Committee on 10th May 1934 and confirmed by the Minister of Transport on 10th December 1934.
- Interpretation 4(1)** In these Byelaws unless the context otherwise requires:
- “The Authority” means the Broads Authority;
 - “Motor Vessel” means any ship, boat, lighter, yacht, houseboat, launch or craft of any kind propelled by any form of power whether mechanical or otherwise and includes any craft propelled by a detachable outboard engine, but excluding any sea-going vessel used as a tug or exclusively for the carriage of animals, fish or goods;
 - “Light Sports Vessel” means a motor vessel with a block area of no more than 13 square metres which has a planing hull and no permanent covered accommodation and which is capable of towing a water-skier;
 - “Coaching Vessel” means a motor vessel which is being used for the purpose of coaching one or more rowing crews.
 - “Boatyard Vessel” means a motor vessel which is being used by a boatyard for the purpose of trial or demonstration or testing after repair and whose navigator is an employee of the boatyard, having charge of the vessel in the course of his duties;

“Navigator” means any person who whether as owner or with the permission of the owner or without authority, has charge or control of any motor vessel and includes any person who is (a) present in the vessel and who gives orders to the person having charge or control of the vessel or (b) the hirer of the vessel;

“Owner” means the person who for the time being is registered as the owner of any vessel under the Authority’s Byelaws for the time being in force;

“Prescribed Annual Toll” means the appropriate annual toll within the scale of tolls, currently in force in any year, as prescribed by the Authority pursuant to Section 26 of the Harbours Act 1964;

“Km/h” means kilometres per hour; “Mph” means statute miles per hour.

- (2) Except as herein otherwise provided words and expressions to which a special meaning is assigned in the Norfolk and Suffolk Broads Act 1988 shall have the same meaning in these Byelaws as they have in that Act.

Application of Speed Limits

- 5 1 No person, being the navigator of a motor vessel, shall cause or permit such a vessel to be navigated on any stretch of water specified in Schedule 1 to these Byelaws at a speed over the ground greater than that specified in the said Schedule in relation to that stretch of water.
- 2 This Byelaw shall not apply to:
- (a) the use of a light sports vessel while it is being used for the purpose of towing a water-skier, in accordance with Byelaw 6, on any of those stretches of water specified in Schedule 2 within the times specified in the said Schedule in relation thereto.
- (b) The use of a boatyard vessel while it is being used, in accordance with Byelaw 8, on any of those stretches of water specified in Schedule 3 within the times specified in the said Schedule in relation thereto.

Water-Skiing

- 6 The use of a light sports vessel for the purpose of towing a water-skier shall be permitted subject to the following conditions:

- a The owner of the vessel shall have first complied with Byelaws 9, 10 (b), and 11 (b), 11 (c) and 11 (d).
- b The navigator of the vessel shall comply with Byelaw 12.
- c The navigator of the vessel shall have on board one person to provide assistance during towing.
- d The navigator of the vessel shall at no time tow more than two water-skiers.
- e Each water-skier shall remain in or on the water during towing.
- f The navigator of the vessel shall use tow-ropes of equal length when towing two water-skiers and the two water-skiers shall not cross in front of, or behind, each other.
- g The use of the vessel under this Byelaw shall be confined to those stretches of water specified in Schedule 2 within the times specified in the said Schedule in relation thereto.
- h In this Byelaw the purpose of towing a water-skier shall be deemed to include the act of recovering a water-skier who has been separated from the vessel during towing.

Coaching Vessels 7

- Any person navigating a coaching vessel while coaching one or more rowing crews shall, subject to compliance with Byelaws 10(b) and 12, be exempt from Byelaw 5 on:
- (i) that part of the River Yare from the confluence of the River Wensum to a point 275 metres (300 yards) downstream of the upstream dyke leading to Surlingham Broad (Birds Dyke) between sunrise and 1400 hours on Sundays and between sunrise and sunset on all other days.
 - (ii) River Waveney, Oulton Dyke and Oulton Broad, on Sundays between 1000 hours and 1300 hours and Wednesdays during the summer (i.e. from 1st March to 1st November) between 1800 hours and sunset.

Boatyard Vessels 8

The use of any motor vessel as a boatyard vessel shall be permitted subject to the following conditions:

- a The boatyard shall have first complied with Byelaws 10(a) and 11(a).
- b The boatyard shall have paid the prescribed annual toll for the set of registration marks to be used on the said motor vessel.
- c The navigator of the boatyard vessel shall comply with Byelaws 10(a) and 11(a).
- d The use of the boatyard vessel shall be confined to those stretches of water specified in Schedule 3 within the times specified in the said Schedule in relation thereto.

Water-ski Permit

9

- a The owner of any light sports vessel shall before using, or permitting the use of, the vessel to tow a water-skier, pursuant to Byelaw 6, first obtain a permit which shall be issued by the Authority in accordance with this Byelaw. Provided that any light sports vessel has been registered in accordance with the Authority's Byelaws and provided that payment of the prescribed annual toll for the vessel has been made, the owner of the vessel may apply for a permit to the Authority.
- b In the case of any application for a permit under this Byelaw, the Authority shall satisfy itself that the vessel concerned complies with the definition of a light sports vessel under Byelaw 4, before granting the owner a permit to use that vessel to tow a water-skier.
- c The owner of any light sports vessel shall be required, as a condition of the grant of a permit under this Byelaw, permanently to remove from the vessel any wording which indicates that the vessel was formerly an authorised sports vessel.
- d Any permit issued under this Byelaw shall expire on the 31st day of March next following the date of issue or on the date of the transfer of ownership of the vessel (whichever is the sooner).
- e During the currency of any permit issued under this Byelaw the owner shall display on the light sports vessel registration marks in accordance with Byelaw 10(b) and

in any case where a permit expires or is not renewed the owner shall remove the said registration marks.

**Registration
Marks**

10

a Any boatyard wishing to operate a boatyard vessel in accordance with these Byelaws shall first apply to the Authority for a set of registration marks, of a height, type, colour and material to be approved by the Authority, and the said marks shall be displayed on each side of the bow and at the after end so as to be visible from astern on any vessel being navigated as a boatyard vessel.

b In addition to any other byelaws requirements of the Authority, registration marks of a minimum height of nine inches and of a type, colour and material to be approved by the Authority shall be permanently displayed on each side of the bow and at the after end, so as to be visible from astern, on any light sports vessel which is used for towing a water-skier or on any coaching vessel.

Log Books

11

a Any boatyard to which a set of registration marks has been issued under Byelaw 10(a) shall be issued with a log book by the Authority in respect of the said set of marks and during the use of the said marks shall keep it on the vessel being used and shall at all other times keep it with the said marks and shall on request present it for inspection to any officer of the Authority.

b The owner of any light sports vessel for which a permit has been issued under Byelaw 9 shall be issued with a log book by the Authority in respect of the said vessel and shall keep the log book on the vessel and shall on request present it for inspection to any officer of the Authority.

c On any occasion on which any light sports vessel is used in accordance with Byelaw 6 or any boatyard vessel is used in accordance with Byelaw 8 the navigator shall immediately before and immediately after such use make a record of the use in the log book issued under this Byelaw and shall on request present the log book for inspection to any officer of the Authority.

		d On the transfer of ownership of any light sports vessel for which a log book has been issued the log book shall be immediately returned to the Authority by the former owner.
Wash	12	No person while navigating any light sports vessel in accordance with Byelaw 6 or any coaching vessel in accordance with Byelaw 7 shall cause the vessel to make a sustained wave, against a bank, of more than 300mm (12 inches) in height from trough to crest.
Penalties	13	Any person who commits a breach of any of these Byelaws shall be guilty of an offence and liable on summary conviction to a fine as follows: a for a breach of Byelaws 8, 10 and 11, not exceeding level 2 on the standard scale. b for a breach of any other byelaw, not exceeding level 3 on the standard scale
Defences	14	In any proceedings for an offence under these Byelaws it shall be a defence for the person charged to prove: a that he took all reasonable precautions and exercised all due diligence to avoid the commission of such an offence; or b that he had a reasonable excuse for his act or failure to act.
Definition of reasonable excuse	15	For the purpose of Byelaw 14 hereof "reasonable excuse" shall include: a That the speed at which the motor vessel was navigated was reasonably necessary having regard to the fact that the navigator was assisting or offering to assist in an emergency arising from illness, accident, collision, fire or other circumstance which might reasonably be expected to involve danger to persons or property. b That the navigator being employed in the service of the Authority, the Great Yarmouth Port Authority, the National Rivers Authority, or any Authority in whom their powers and duties may from time to time be vested, navigated the motor vessel at a speed which was reasonably necessary to perform his duties or any of them.

c That there was no sign conspicuously posted to mark the limit on that stretch of river and that the vessel had been navigated at a speed and in a manner not likely to endanger safety of other vessels or the banks of the rivers.

THE COMMON SEAL OF THE BROADS AUTHORITY was hereunto affixed in the presence of

Given under the Common Seal of the Broads Authority the Eleventh day of December 1990.

T D W Molander,
Solicitor to the Broads Authority

The Secretary of State for Transport hereby confirms the foregoing byelaws as modified.

Signed by Authority of the Secretary of State for Transport,
