Information on Works Licence Application Fees

Standard Applications

1. Major Works Application	
Fee	£80.00
Criteria	An application is considered to be a "Major Application" if any of the following applies during or as a result of the proposed works: <ul style="list-style-type: none"> (i) Obstruction to more than 50% of the width of the navigable channel (ii) less than an 8 metre navigable width remains over a stretch of river greater than 5 metres in length (iii) the works are within 50 metres of any works of any other statutory undertaker (iv) the works are within 15 metres of any works of the British Railways Board (v) a complete river closure is required
2. Minor Works Application	
Fee	£50.00
Criteria	A minor application is required for any works on or adjacent to the navigation not classified as a Major Application

Retrospective Applications

Works undertaken within or adjacent to the navigation which have commenced or been completed without a valid works licence require a Retrospective Application.

3. Retrospective Major Application	
Fee	£155.00
Criteria	Retrospective application falling within the criteria of a Major Application (as outlined above)
4. Retrospective Minor Application	
Fee	£125.00
Criteria	Retrospective application falling within the criteria of a Minor Application (as outlined above)

Further Information

For further information on fees and other considerations (such as Notice to Mariners etc), please refer to the Navigation Area Guidance document available at: <http://www.broads-authority.gov.uk/boating/navigating/works-licences.html>
