

Public speaking at Planning Committee

Who can speak at Planning Committee?

This guidance explains our public speaking scheme and how you can take part as a planning applicant or agent, or as an objector to a planning application.

District and County Council ward members and Parish Councillors may address the Planning Committee as part of the planning process, and Broads Authority members may speak in line with our [Code of Practice for members of the Planning Committee and officers \(broads-authority.gov.uk\)](https://www.broads-authority.gov.uk/code-of-practice-for-members-of-the-planning-committee-and-officers).

Applicants and objectors may speak on planning application matters where the Authority is the decision maker. The scheme does not apply to enforcement matters, proposals dealt with under delegated powers, consultations or policy matters such as the Broads Local Plan.

Where and when do meetings take place?

Our Planning Committee meets approximately every four weeks on a Friday, starting at 10am; a full list of dates can be found at [Planning Committee \(broads-authority.gov.uk\)](https://www.broads-authority.gov.uk/planning-committee) or [Committees \(broads-authority.gov.uk\)](https://www.broads-authority.gov.uk/committees).

The meeting location, along with the agenda and meeting documents, will be published on the Authority's website one week before the meeting; please see the specific meeting page at [Planning Committee \(broads-authority.gov.uk\)](https://www.broads-authority.gov.uk/planning-committee).

We encourage sustainable travel to our meetings and the venues used are easily accessible by public transport. The meeting room will be accessible by wheelchair users, but please contact the Governance team governance@broads-authority.gov.uk for any special needs or concerns.

Are you concerned about a proposed development?

As soon as you hear about the planning application, look at the details on the Planning pages of our website www.broads-authority.gov.uk/Planning or contact the relevant Planning Officer, who will tell you how to view the plans.

If you wish to object to an application, you must first do so in writing within the specified 21-day consultation period. If objections are received, the application will usually be considered by the Committee but this is not always the case, so it's important to submit your written objection by the consultation deadline.

Do you want to speak directly to the Planning Committee?

Information for applicants, agents and supporters

To help the Planning Committee make informed decisions, make sure the Planning Officer dealing with your proposal has all the facts they need for their report to the Committee.

Either you or your agent (but not both) will have the opportunity to speak in support of your application at the meeting, particularly to clarify issues raised by Committee members or to respond to objectors. Any other supporters will be asked to share your allotted speaking time.

Information for objectors

If you wish to speak, please notify the Governance team **at least 3 working days** before the meeting. All written objections will be reported to the Committee and taken into consideration, so it's not essential to speak. You may also attend the meeting as an observer.

Additional material

If you, as an applicant or objector, intend to provide any additional material when you speak, you must send it to the Governance team **at least 3 working days** before the meeting, so it can be seen by members and included in the officer presentation if necessary. Any additional material submitted after this deadline may not be considered.

When will the application be considered?

Some applications take longer to process than others, so please keep in touch with the Planning Officer or Governance team to find out the date of the relevant meeting. Even when you have been given a date, contact us again up to 5 days before the meeting to make sure the application is on the agenda. Applications are sometimes delayed or withdrawn.

What happens at the meeting?

Applications may not be considered in the order on the agenda, so we can't say when a particular application will be heard. Please do not arrive more than 20 minutes before the start of the meeting. The Governance Officer will take your name and explain how the meeting will run.

The decision-making process at meetings

Presentation, assessment and recommendation

The Planning Officer describes the proposal and the location of the site, outlines any responses from statutory consultees, objectors or supporters, gives the policy guidance, and makes an overall assessment of the proposal with a recommendation to the Committee.

Parish Councillors

Five minutes speaking time is allowed.

Objectors

A total of 5 minutes speaking time is allowed. You may have to share this time with other objectors or choose a spokesperson on behalf of all of you.

Applicant, agent and any supporters

A total of 5 minutes speaking time is allowed to reply to matters raised or clarify your case for the proposal. You may have to share this time with other supporters.

Ward or Division Councillors

Five minutes speaking time is allowed.

Please note that the time limit for all speakers is at the discretion of the Chair, who may allow an extension.

Discussion and consideration

The Committee members may ask you questions. Speakers are not allowed to question other speakers, officers or members. The Planning Officer will respond to comments and answer members' questions.

Committee decision

Most decisions will be made on the day. Occasionally members may defer a decision to allow time to get further information, to visit the site or to negotiate improvements to the proposal. If any new evidence is brought to the Committee that could significantly influence a decision, the application will be deferred to the next meeting so officers and members can make a full assessment of the case.
