

## Update - Navigation restrictions due to dredging works on the Upper Bure

Notice is hereby given that due to delays, the dredging operations are now programmed to run until 15 November 2024, during the hours of 08:00hrs and 16:00hrs daily, excluding weekends. The site stretches along the upstream end of the Upper Bure, from Hoveton Viaduct grid ref TG 30176 18349 to Horstead Mill grid ref TG 27164 19343 (shown in red on the plan extract).

The maintenance works on the water will involve the use of floating pontoons and small works vessels. **Note:** during the above period navigation will remain open, but vessels must exercise great care whilst proceeding past the vicinity of the works.

Please ensure that these works are taken into consideration for passage planning and when navigating in this area.
